1 This Society Notes:

1. Under Section 6.3.1 of the Constitution[1]: "All positions will be filled up to a maximum of 2 for all available positions, with exception of the 'President' role which has sole occupancy as well as Academic and Gaming coordinators which can have up to 3".

2. New positions have been added since Section 6.3.1 was amended to the Constitution, and some positions' responsibilities have changed.

2 This Society Believes:

1. The exact numbers for each role are out of date with many current exec commenting on the benefits of having more than one (1) or two (2) people in each role.

2. The initial running of the Fresher Representative role showed that some positions would benefit from more Fresher Representatives, while others deemed unnecessary.

3 This Society Resolves:

1. To amend Section 4.4.2.c of the Constitution as follows:

   Up to one (1) Freshers' Representative should be selected for each category of events the society runs, currently: Academic, ~~Gaming, Technical,~~ Social~~, and,~~ Gender Inclusivity, and Treasurer. Up to two (2) for Gaming and Technical.[1]

2. To amend Section 6.3.1 of the Constitution as follows:

   ~~All positions will be filled up to a maximum of 2 for all available positions, with exception of the 'President' role which has sole occupancy as well as Academic and Gaming coordinators which can have up to 3.~~ President, Treasurer, Sports Officer, and Events Officer shall be filled by one (1) seat. Secretary, Welfare, and Publicity shall be filled by up to two (2) seats. Academic, Gaming, and Social shall be filled by up to three (3) seats. Technical Officer shall be filled by up to four (4) seats.[2] Additional positions should be filled in accordance with 6.3.2.
