1 This Society Notes:

1. During the slew of motions to overhaul the constitution at the previous AGM, a motion protecting the eligibility of nominating for, voting, and holding of Representative positions was passed by the membership, and added in 7.3 of the constitution.

2. This motion was intended to include Postgraduate Rep, and was overlooked at the time. This currently means non-postgraduates can run for the role.

2 This Society Believes:

1. Only postgraduates should be able to nominate for, vote on, and hold, the Postgraduate Representative role.

2. This should be corrected in the constitution.

3 This Society Resolves:

1. To amend 7.3 of the constitution to add the following:

   - 7.3.4 Postgraduate Rep positions are recognised as protected positions, restricted to only postgraduate members. Voting for Postgraduate Rep positions shall be exempt from quorum.
   - To amend "7.3.1 & 7.3.2 & 7.3.3" in 7.4 of the constitution to "7.3.1 - 7.3.4".
