1 This Society Notes:

- Currently, the society constitution states we should meet five times per term.
- This isn't fulfilled by the current executive, and hasn't been fulfilled by previous executive teams, due to the size of the executive making this infeasible.
- Some clauses within Meetings are outdated and relate to Reg 9.
- Meetings are currently not mandatory.

2 This Society Believes:

- The constitution should be adjusted to reflect the capacity of the society executive.
- Outdated clauses should be removed, and updated to reflect new SU regulations.
- Meetings should be mandatory for executive members, and failure to do so will be a failure to meet their responsibilities.
